Facial Coverings

- Original guidance released June 11, 2021.
- State Public Health Officer Order.
- Requires individuals to follow the California Department of Public Health (CDPH) <u>Guidance for the Use of Face</u> <u>Coverings</u> and <u>Guidance for Child Care Providers and</u> <u>Programs</u>.
- Requires all individuals in child care settings to wear face coverings while indoors, regardless of vaccination status, to reduce the spread of COVID-19. The guidance specifies which individuals are exempt from the face covering requirement, including children under two years of age.

Making Space for Diversity, Equity and Inclusivity

- Dr. Rosemarie Allen works passionately to ensure that children have access to high-quality early childhood programs that are developmentally and culturally appropriate. When dealing with the difficult behaviors of children, what if we turned our focus inward? Dr. Allen explores this idea in the video <u>School</u> <u>Suspensions are an Adult Behavior</u>.
- She also explores other aspects of racial equity in the video <u>Creating Anti-Racist Early Childhood Spaces</u>.
